“I remember meeting Raul and his sister Michelle when he was about 9 years old. I remember when he would come spend the night and we would play board games and tiddlywinks. He was a sweet, loving child and I got pretty close to him and Michelle over the next few years. As he grew older, I didn't see much of him but we would bump into each other every now and then in Ayer and he always had a smile and a big hug for me. I will miss him. Rest in peace Raul. ❤️

“ Raul was a frequent visitor at Apple Valley Baptist Church. As we came to know his loving spirit and outgoing attitude, we also came to know his knowledge of church. Cam frequently would debate church theology with him and eventually came to know his charm. He will be missed by all of us. Our love and prayers are with you in your time of grief.

“ *Our sincerest condolences to Denise, Jannine, Katie and his entire family. We had the pleasure of knowing sweet Raoul for many years. We could always count on his hard work for spring cleanups and for the past few weeks he was also helping us with our basement renovations. Our conversations about the Lord were peaceful and uplifting. We are glad you are truly at peace now my friend. We will miss you dearly, but we know that in the Lord's presence there is fullness of Joy. Love and continued prayers for you all ,*
