“ To my nieces and nephews you lost the best father there could be. He loved you all the same. I lost a brother that I could not beat in a rummy. five hundred game. I don't know how he did it but he let me win until the end. And bang he'd win again. I had a lot of fun and beautiful memories. Ray glad your suffering is over. You will be missed by all who knew you. P S. Save me a place at your card table. And say hi to mom and dad. Armand and. Mo.
