“ Regardless of the benefits offered by the Nationwide Well being Service, the monetary burden for individuals who fall ill is often overwhelming. Specially designed roof mounted exhaust fans would mechanically vent heat and smoke under emergency fire conditions. This also insures years of trouble free service in normal daily operation of the PRV. “ To my best friend, I met you when i started work 11 years ago and you were one of the greatest and kindest guys that i have ever met. My heart was broken when i found out what happened. I will never forget all the laughs, jokes and talks that we had. You have always been a good friend, you were like a brother to me, and i am going to miss not having my friend to talk too. You were a great boss. Love you and miss you terribly. Until we meet again, you will always be in my thoughts. To Donna and the boys I am extremely saddened for you loss.

“ Donna, Keith, Christopher, Ryan and the entire Doucette/Girolamo Family.

Bink left us way too soon, he always had a smile on his face.

He always made you laugh , especially with his stories. You couldn't make this stuff up, he should have written a book.

I will miss my friend.

He will always be looking down on us and remember his laugh,

Rest in peace my brother.
