“ My thoughts and prayers go out to the Stevens family. I came to know Rick when I began to work for the Fire Academy. Rick was the heart and sole of the Fire Academy support Serviced division. Rick was a great friend you could always count on, I learned a lot from Rick working with him over the years. Rick would always have a smile on his face and shared countless stories and laughs with us all over the years. Ricks contributions to the Fire Academy are to many to list. I will miss seeing Rick around but I am sure he will continue to watch out for us and be there in spirit. God speed Rick.

“ To all Rick's family and friends, Rick was one of the most genuine and caring person I have ever met. He paid attention to details and people and ALWAYS made sure what needed to be done was done. Rick was a true gentleman. JFK said "one person can make a difference, any everyone should try." Rick succeeded. God speed my brother and thank you for being part of our lives; you made us better. God bless you Rick. RIP.

“ I have known Rick for quite some time starting at Pinards Landscaping raking lawns; and then when he started at Fort Devens FD. While I left FT Devens in 1994 Rick stayed on and made it to LT at Devens FD. When ever I went to the Fire Academy it was nice to see his face and catch up with what was going on at Devens. Rick was great to work with and I would consider him a good friend. Rest in Peace Brother.
