“ My heart goes out to Richards family. I did K-12 with Rich at St. Joseph and Montytech and was a childhood friend. I have some great childhood memories with Rich and I am shocked to see him having passed. I have not seen Rich in a long time but this is still heart breaking! Interesting past story, I was going to buy Rich's red Chevelle during high school and he smashed it the day before but I did buy a moped from him instead.

“ Donna & family,
I am very sorry for your loss. Always enjoyed running into both of you at Wachusett and sharing a beer. Always enjoyed laughing about our high school days as well. May your memories comfort you during this difficult time.
