“ Was surprised and saddened to see "Little Richie" had passed (Big Richie is Richie Halpin). I hadn't seen him in a while - last running into him at Shaw's. He was always such a sweet, kind kid, polite and with the best of manners. If he saw me, he always approached for a little reminiscing and catching up conversation - he had a caring, attentive and thoughtful tone when he spoke. Sorry to hear he passed and so young - he deserved more out of life.

You Amy Matthew and Andrew were the BEST neighbors and I have ever had. I will never forget you. The world has lost a true everyday hero. Always smiling and always there to lend a hand. So humble and genuine.

You will be sorely missed.
