“ My prayers & thoughts to the family. I met Rich thru Avnet Programming work and had several good laughs with him during my visits for auditing from Phoenix.... I would kid him about being a “Cowboy” fan in NE! He will be missed....

“ *Katie and Emily,*

Words cannot adequately express the sympathy I send from my heart to the two of you and your extended family. I know that your dad was (and still is) extremely proud of both of you and the amazing individuals that you have grown to be. I send you an abundance of caring thoughts and prayers enveloped in a big hug. You both have brought your mom and dad the greatest joy throughout the whole time that they were able to spend with you on this earth! I am certain that they are angels above, watching over and guiding you as you continue to amaze and make them proud every day!

Know that I am always willing to help you both in whatever way I am able.

*With love and prayers,
Beth Romano*

“ Emily and Katherine,
I am so incredibly sorry for the loss of your dad. I've known him and your mom for years working at the pharmacy. He wore his heart on his sleeve and he was so proud of the two of you. You have been through more in your young lives than anyone should have to. I pray for peace and comfort for you knowing that your parents are together again watching over you. Please know that this wonderful community that we live in is here for you. Thinking of you and praying for you during this difficult time.

“ Jack and I were so sad to learn of Rich passing. He truly was the salt of the earth and one of those people you could call one of the best God created. We had the honor and privilege of having him in our lives within our karate family. He was someone to look up to and point out how to live your life with kindness and joy. Rich you will be sadly missed. God bless your beautiful girls and your family. Love Maureen and Jack O’Gorman.
