“ Bob, thank you for all the wonderful memories we shared. So many lives are better because you were a part of them. Some of the best memories I have are memories of times we all spent together. They are priceless and something I will cherish as long as I live.

There was never a sad moment spending time with you. You always made us laugh and feel loved. Those early years in the 80s were some of the best times in my life.

Thank you for making the world a better place to be.

I love you and will love and appreciate you always..
