“ *Barb and Brad and the extended Porter Family,*

*I am so sorry to hear of the passing of your dad. You were such a loving and kind daughter Barb. I saw the wonderful care and love you returned to both your parents in the later years. May the many happy memories you have give you peace and comfort during this difficult time. I am sorry I won't make it to the services as I am traveling for work but know that I am thinking of you and sending love and prayers and lots of hugs.*
