“*“The Fox” was my closest friend for years before I moved to Florida. I could tell stories for days about some of the escapades we went on for years, but more than anything, he was truly a great friend. I got to know Fox at a Victory Markets golf tournament and I got paired up with him. Little did I know at that time how close we would be. Fox and I along with the late Leo Brissette were like the Three Musketeers.*

I'm going to miss you, my friend.

“*Please accept mysincere condolences. Foxy is best remembered by me for playing poker with his “Bubba” 3 hands (winning), having a cold one and golfing. I will truly miss the guy*
