“ Robin was a kind man that always made a point to say hello when we'd see each other out and about. I will miss the interactions we had when he'd visit the Shirley Town Hall.

May you rest in peace.

“ My condolences to Marion, Sandra & Family...

Robin was a friend and customer of mine at H.R. Prescott for about twenty years. He would mention Marion frequently and spoke fondly of her and his family. Those who knew him, knew that he was very caring, considerate and loyal to the core. He often did favors for friends and fellow contractors. He cared about his work and performed it with pride and his word was his bond, a rare trait these days. He will be greatly missed by all and no one will ever be able to fill his shoes. I hope to see him again one day. R. I. P. Robin - Hal Mapes

PS- I'd love to have one more lunch meeting at Tiny's my friend....
