“ Unfortunately my memories of Robin (known as Gail to me) are only from our younger years. I wish I could have been close to her in our adult years because I think we had a lot in common. One small memory of us as youngsters, is our Nana Proctor always telling me "why can't you be more like Gail!".....and now I fully understand why Nana would say that. Wishing all her family peace and comfort.

“ Robin had the BIGGEST heart. She helped teach me about perspective. Her daughters and granddaughter were her world. Through good and bad her love for other never waivered. To crystal, Rick, cat, and Jo my love is with you always. May you rest in paradise Robin.
