“ Rog, I miss you so much. Our children are still having such a really hard time with your passing. Especially Rogie. It's only been ten months since you transitioned into Spirit, and your passing is still so fresh. Rosie has joined you now. You both left us to young. We had a great family Rog. Thank you for giving me our beautiful children. Your life will be celebrated on the 27th as we have a life celebration for Rose and you... (thank you Krystal.) You both were in so much pain... The pain is gone now. You both are enjoying family and friends in Heaven. We miss you, we love you... it's not goodbye. It's 'Until we meet again.' My Roger, I will always love you. We said that to each other the evening before you passed. See you someday soon Rog.

“ Hey Roger (Dad) we miss you so much. We have been feeling so lost since you passed the kids say they miss you so much💙 we had so many fun times together like when me and you would sing the song Picture together by Sheryl crow and kid rock!!! Dancing in the kitchen together and lil roger recording us and then getting him in on it with us!!! Sitting by many fires having a few drinks or going to play pool at the bar. When you asked us if you could come home with us we couldnt have been happier💙 I want you to know that made us so happy and we know how happy it made you. You had your family visiting and we would do it all over again even if just for a day more with you. Lil Roger is so broken hearted missing you so much it hurts seeing his pain. Keep over him especially please. You two had such an amazing relationship it didn't matter if you hadn't talked for some time but you guys always picked up like no time had passed by. We will always have you in our hearts and do the best we can to make your final wishes come true. Watch over us. I miss you telling us you love us more😭💙. No more pain and now in heaven with your mom and dad andany others who met you at the Golden Gates! Give us all strength and your always living through us all leaving such awesome memories and love to live on through even your grandkids. Rest now and not to much partying up there! Love you so much always and forever💙💙💙💙💙💙💙

“Daddy, I love you so much and will always remember you constantly making jokes even up until your last days, just to make everyone laugh!!

I still have not even expected the fact that your gone and not with us anymore 😞 😞 😞!!

I miss you so much Daddy and I know that you're watching over all of us everyday...

I am gunna miss your laugh and laughing face more than anything!! And how your big blue eyes explained exactly how and what you were thinking and what you really wanted to say out loud just by looking in your eyes, the people that really knew you, could explain what you were feeling and thinking 🤔 😞 😞 and once you realized that we knew what you were thinking about, we would laugh for hours especially when the people around us were clueless about why we were laughing haha

Rock the heavens Daddy ... even though I know you already are lol 😊!!

Please give mem and pep a big hug and kiss 💋 🤗 for me and the kids.

I LOVE YOU MORE THAN WORDS CAN SAY AND MISS YOUR HUGE SMILE....

RIP DADDY 🙏 🤔 🥰 🥲 🥲 🥲 🤔 🙏 🙏 🥲 🥲

“ Our pain is so deep. Roger was the father of our children. We had a wonderful love life together. I was proud to be his wife for ten years. We went to the races all the time. And he loved his Budweiser beer. Our children were his life. My thoughts and prayers go out to his family, Rosie, Brenda, Greg and Chris. And my heart and prayers especially are for our children... Roger III and Amanda. Daddy loved you so very much... the love that goes beyond death. Daddy will always love us and he said he will be with us always. We will miss you Rog. Until We Meet Again ❤️
