“ *We will always remember how tommy could get you to laugh!! I will never forget the time around the year 2000 he was bringing me to work in his yellow beetle and he said where do I drop you off? Silly me told him right at the door. Well he drove that car up over the walkway and right to the door of the nursing home where I worked and he laughed so hard He was a good man and character and will be missed greatly. I hope his memories bring peace to many. Rest easy Tommy*
