I knew Ronald since he was 11-12... he tried hard to be someone, my friend...

From mid 80's to the 90s scene ,dance clubs around the Tri town area, Ron and I had the best time meeting the kind women in the area... Ron, good looks kept him in the light with his golden blonde hair... we both know how to dance... "When I hear music" Debbie Deb.... Ronald favorite band would be Bob Seger... but he didn't dance to that music... I miss him, Danny, Claudette, Donald, and the rest of the family... The family hasn't lived at Senna Rd in years... no one is perfect, why he was a good friend whenever we needed each other... rest under my peace brother for life...
