“ Condolences to the Eggleston family. My memories of Ronnie go back to the Warren Road shenanigans that he, Greg Dauphinais, Don Maki and I would get into. Whether it was chopper bicycles, motorcycles or forts in the woods, Ronnie had always added to whatever project we conjured up. He had a great sense of humor, too. I'm saddened to hear of his passing, but am grateful for the memories of him being a part of my growing up in Townsend. R.I.P. Ronnie.

“ I love you dad. You have done so much for me and the rest of the family. You always provided for us before yourself. I could not have asked for a better, stronger father. You showed me what true strength was and how to NEVER give up on your own. Family sticks together.

You are Forever My Hero

I love you Dad
