“ Rosanne and I met in high school in Fall River and soon became very close friends. Summers at Horseneck Beach, riding around the city in cars at night, dancing up a storm at the Venus de Milo, helping her family decorate the Christmas tree... she was sweet, smart, and you couldn't ask for a better friend. We did see each other off and on over the years, always promising to spend more time together than we did. I send my heartfelt sympathy to her whole family.
