We are so sorry for your family's loss.

Aunt Ruth was a force, and she and your dad made such a wonderful family in you kids and your families. I remember a lot of wonderful times at the house on Theresa St. for family Christmas parties and summer pool parties. I remember that your whole family played cards and laughed together all the time.

I especially remember how kind your Mom was to me. She included me in her conversations as a younger person and did some very sweet things for me. She even came to my college graduation and visited Matt and I once out in Rochester.

Aunt Ruth also made me a beautiful red wool dress when I was in the sixth grade. I was really thrilled that she made me something, and I kept it, and I still have it put away with two other special dresses from my life.

I'll always remember her pretty face, her laugh, and how she helped me when my Mom died. So kind and caring.

Matt and I really wanted to be there to pay our respects but we couldn't work it out for Wednesday.

*With Love to all the Family,
Matt and Gail*
