Ruth (Jeri) Gray

October 7, 1932 - October 11, 2025

Ruth "Jeri" Gray, 93, of Groton, Massachusetts, passed away peacefully on Saturday, October 11, 2025.

Born in Norwood, MA, on October 7, 1932, Jeri was a graduate of Bates College and lived a life filled with curiosity, kindness, and adventure. She was preceded in death by her beloved husband, Ronald Gray who passed away in 1984.

Jeri spent many happy years in East Aurora, NY, and Princeton, NJ, before moving to Acton, MA, in 1993. In 2021, she moved to Groton, MA, to be closer to family. In Acton, she was an active and valued member of the Acton Garden Club and the Acton Women's Club. She was passionate about gardening and reading, and she found joy in the changing seasons and the pages of a good book.

A true world traveler, Jeri visited more than 100 countries during her lifetime, embracing new cultures and experiences with enthusiasm and grace.

She is survived by her son, Wayne Gray of Webster, MA, and his wife

Elizabeth Gray, along with their children Erika Walton, and Ronald Gray, her daughter, Pamela Stone of Groton, MA, and her husband David Stone, along with their son Thomas Stone. Jeri also leaves behind two great-granddaughters, Violet and Evie Walton, who brought her much joy.

Jeri will be remembered for her warmth, wisdom, and adventurous spirit. Her legacy lives on in the lives she touched and the beauty she cultivated-in her gardens, in her travels, and in the hearts of her family and friends.

A private family gathering will be held to honor her memory. In lieu of flowers, donations may be made to a local garden club or literacy organization in her name.

“ *Jeri, I still remember my first visit to you. It was during Christmas year 2000.
You gave me a pleasant and warm welcoming.
I stayed at your hose and you introduced me to your family.
We played “social games” (board games) together and you invited me to celebrate Christmas together with your family.*

Im glad that I wrote you the letter that I would visit US and that we recaptured the contact between the relatives in US and Sweden.
