“ I have been friends with Sandy for over 40 years. I worked with her at Simonds and went on many many vacations with her. After retirement we spent many Tuesdays and Wednesdays together with about 6 to 8 other friends. She had failing health in the past few years so has not spent as many times with us but I talked to her on the phone once a week. She will be sorely missed and I am glad I did visit her a couple of weeks ago. Rest in peace my friend!
