“ Thank you for being such a kind and loving person Mrs. Saori, I remember the amazing food you would make for me whenever I went over with my mom and my brothers would play with Jack and John. You were like a sister to my mom, a light in her life and everyone you met. I wish we could've gone on that shopping spree I said I would take you on all those years ago. Rest in peace Mrs. Saori. We love you, forever and always.

Love,
Angie <3

“ Thank you for everything Mrs Saori. You always took care of us whenever we played or had sleepovers with Jack and John. The food you made would make the entire family so happy. We would be so excited when our mom told us that we have food from you at home. Your phone calls with our mom would make her entire day. Our mom gets so happy whenever she gives us updates on Jack and John. You have and will continue to have a significant impact in our lives, especially for our mom. Jack and John, it's been so long but we always think of you both as our brothers. Let us know if you guys ever need anything. Thank you again for everything Mrs Saori.
