“ *I will remember Sherrie as having big heart and someone who not only loved to give but was a gracious recipient of gifts. I remember she loved clowns. I cross-stitched a clown picture for her one year for Christmas. I can remember how grateful she was when she opened it. She and my brother hosted lots of family gatherings when they were married.*

I haven't seen her in years, but we stayed in contact on Facebook. I always wished her well. She left this earth and her family way too soon. May she rest in peace!
