

Stanford G Walter Jr.

November 13, 1966 - January 8, 2022

WESTMINSTER: Stanford G. Walter, Jr., 55, a thirty-year resident of Westminster, died unexpectedly Saturday, January 8, 2022 at Henry Heywood Memorial Hospital, Gardner.

Stan was born in Leominster, November 13, 1966, the son of Stanford G. Walter, Sr., and the late Elizabeth (Dufresne) Walter and grew up in Fitchburg. He was a 1985 graduate of Fitchburg High School where he played football and then continued his education at Fitchburg State University where he majored in Industrial Technology and graduated in 1990. For eight years he served his country in the United States Army Reserves and the Massachusetts National Guard.

For nearly forty years Stan worked for Market Basket Supermarkets in several communities including Leominster, Fitchburg, and most recently in Athol where he was the meat manager. He enjoyed his job because it gave him the opportunity to talk and get to know the customers. He was the type of man to go out of his way to help anyone.

He enjoyed hunting, shooting, fishing with his son Cody, and watching the Boston Red Sox and the New England Patriots. There was nothing he cherished more than spending time with his family whom were his pride and joy. He was a true family man who loved working on his home. He was a fan

of country music and enjoyed going to concerts as well as sporting events with his family. Attending NASCAR races with his brother and sons is something he treasured. He also enjoyed attending car shows and working on his classic 1969 Ford Mustang. He loved his dog Bindi who was his best friend that never left his side. He was a member of St. Edward's Church in Westminster.

In addition to his father of Orange, Stan leaves his wife of 30 years, Lisa A. (Provencial) Walter; two sons, Cody T. Walter and Chad M. Walter both of Westminster; his brother, Lorin Walter of Templeton; and two sisters, Wendy Provencial of Westminster and Brendy Walter of Gardner.

A funeral Mass will be celebrated at 11 AM Monday, January 17, 2022 at St. Edward's Church, 10 Church Street, Westminster. Burial will be held privately at a later date.

“ *I am so sad to hear of Stan's passing. I first met Stan and the family where I worked at the Dental Office in Ashburnham. I also saw him at the store. We would chat and catch up on the family. He was so kind, and sweet. Always putting his family first and helping others. My heartfelt sympathies Lisa, Chad, and Cody. Heaven surely gained an Angel, just as he was on earth. My prayers are with you.*

“ Families of those that work in the Meat Department know it is not an easy life. If your in, no explanation needed. Because of that, its like a brotherhood and Stans sons are a part of that brotherhood. Stan was well respected, he was such a good man, thinking of him brings a smile. Hold on tight to those smiles and memories and know you do not walk alone. He will always be at your side in spirit. May his love surround those that were closest to him, and help with the difficult days ahead. Our thoughts and prayers are with you. Dave Groth & family

“ Stan was my manager, mentor, and my friend. What a dry sense of humor! We really clicked, and talked about anything. It was not only a pleasure to be your assistant these past couple of years, but it was fun.

“ I worked with Stan at MB and he was always a gentlemen and a pleasure to work with. We spoke about vacations and going up to the coast of Maine. I received a phone call from a gentlemen (Craig) praising Stan for doing such a good job, and helping him with his roast for Christmas. I told the man that is what Stan does, he is always willing to help people. I made sure that the message from Craig was sent to Stan's supervisors. He will truly be missed. Rest in Peace, Rosie

“ Stan was my butcher , he most recently cut and tied my Christmas roast , he was always there to help with a question on how much to buy , which cut , cooking instructions or to just say hello . Stan often spoke about his old Ford car as I talked about my old Plymouth , he spoke happily about his sons new fishing boat and the fun they had fishing and even his being able to move the car on dolly's to fit the boat in the garage . Stan might have been my butcher and I didn't know him out of work ,but I respected him , his work ethic and how he made a big store meat department seem like a corner butcher shop . Stan you will be missed !
