“ I knew and worked with Stanley back in 1984 in Chelmsford Mass for 1st Security Services Corporation. In 1986 I attended Jacqueline and Stanley's wedding. I'm the guy that "shot" a whole roll of pictures at their wedding, only to find that I never had any film in the camera in the first place!

*For no reason I thought of Stanley today and was saddened to learn just now of his passing.*

*He was a wonderful man and a good friend and I always enjoyed his laugh. My condolences to his family and many friends.*

“ I was just made aware of Stan's passing this afternoon. I, too, worked with Stan at Hanscom AFB not so very long ago...just prior to COVID. I've known Stan for years and we often visited each other's offices to discuss security matters as well as life events. Stan was a kind soul with a big heart. He was "bubbly" all the time and put smiles on the faces of those around him. He would share with me how much he loved his wife, being on the Leominster Emergency Action Team, as well as a volunteer Firefighter. He also shared with me that he did the best he could to offer guidance to youth that were having trouble coping in today's world. Stan was just a great guy with a big heart. We shared so many laughs despite Stan having to deal with problems of his own that were unknown to me. Rest in peace Stan. I look forward to being reunited with you in Heaven where we'll pick up where we left off. My heartfelt condolences to Stan's friends and family.

“ I had the pleasure of working with Stanley many times beginning in 1997 while he was a Security Manager for Hanscom Air Force Base acquisition programs. He was a dedicated capable worker. I will never forget how he always seemed to be able to add a laugh or a smile in the midst of serious business. My sincere condolences to the family. Niech spoczywa w pokoju.

“ Martha - this is a picture of a family cookout we had at my house probably in 1981 maybe? Stanley is sitting on the stairs eating in a black shirt. Eric is the person next to him in the black and white checked shirt going up the stairs. (I am in yellow standing at the bottom.) We wanted to share it with you.

“ Martha - my brother, Eric Bamberg, was good friends with Stan when they were younger. He remembers him as a good man, a gentle giant. He was actually trying to reach out to him recently and wasn't able to. He and I extend to you our deepest sympathies. We were very sorry to see this news. :Laurie (Bamberg) Gibson
