

Stephen C. Sanderson

May 19, 1957 - August 23, 2020

TOWNSEND: Stephen Sanderson, 63, cherished brother, uncle, and best friend, died unexpectedly August 23, 2020 at Southern New Hampshire Medical Center, Nashua, NH.

Stevie, as he was known by his family and countless friends, loved telling jokes and entertaining folks with his stories—some true and some less true. His humor was a daily presence at Hannaford, where he was the maintenance supervisor. It was routine for him to send urgent pages over the grocery store intercom and, when his co-workers would rush over, reveal what he needed was for them to take a break with him.

Stevie's sense of humor was cultivated during his days growing up as the sixth of nine children in Townsend, Mass. His infectious laugh, radiant smile, and zest for life flooded the family's two-story home on Main Street.

A humble person, Stevie spoke softly in a raspy voice that was always full of joy. He believed in an honest day's work, working with purpose, and taking pride in his work. Ever loyal, he rarely missed a day of work. Before joining Hannaford, he worked for decades as the chef at The Townsend House Restaurant & Tavern, where he spent thousands of days and nights broiling steaks and lovingly preparing New England seafood for locals and visitors alike.

Stevie was born on May 19, 1957, the son of the late Albert and Georgeanna (Washburn) Sanderson.

Stevie was a life-long townie. He filled his days with laughter and love, creating an extended family with co-workers, who revelled in his jokes and easy-going manner.

When he wasn't working, he enjoyed Sundays strolling the area's flea markets looking for more treasures to add to his expansive Coca-Cola collection, which included everything from collectible cans to retro signage to mini glass syrup bottles. He made daily visits to his older brother David's shop, including on the day he passed away. Stevie enjoyed countless days enjoying the great outdoors and camping with friends, while drinking Coke, of course.

A model of resiliency, Stevie's mission was to bring positivity, laughter and love to his family, work-family and friends. He never missed an opportunity, or a birthday, to remind those around him how much he truly loved and cared for them.

Stevie is survived by his brothers; William Sanderson of Pearland, TX, David Sanderson of Townsend, Christopher Sanderson of Athol, Jimmy Sanderson of Myrtle Beach, SC; sisters, Alberta "Sandie" Sanderson and Mary Jane Johnson both of Sarasota, FL, Elizabeth Mack Garcia of Celebration, FL and Patti Valdes of Smithfield, VA.

He is also survived by countless nieces, nephews and lifelong friends.

He is preceded in death by his parents and his sister, Sandra Lacalamita of Long Island, NY.

A Funeral Mass will be held 10 AM Thursday, September 3, 2020 at St John the Evangelist Church, 1 School St., Townsend.

Visiting hours are 4-7 PM Wednesday, September 2, 2020 at the Anderson Funeral Home, 250 Main Street, (Rte 119) Townsend Center. For additional information or to leave an online condolence, please visit their website at www.andersonfuneral.com

“ I've known Stephen since 1993. He always had a smile, I've never known a kinder Man and he loved that Fabulous Coca-Cola collection of his...and rightly so! Stephen was a very humble human being. Never seeming to want much more than any of us do....Happiness, Love and friendship. I'm as heart broken, to the suddenness of his loss, as I'm sure we all were. Nothing was ever mentioned when talking or texting, of anything going on medically, that I can recall. Ill miss his smile. I'll miss his excitement. I'll miss my friend. My heartfelt prayers are with his family and friends for they're loss. My heart and soul weep for us all. Rest well my dear friend Stephen! I love you bud!❤️❤️❤️

“ I've known Stevie since I was a little kid eating Chicken Tender Baskets at Townsend House. My mom always saved up any cool Coca-Cola collectibles she'd find and I loved hearing his laugh when she turned up with them. We are all so blessed for having known him.

“ Dear Sanderson Family; My condolences to you all on the sudden and very unexpected loss of Steve. He was such a kind, sweet man and will be missed by everyone he knew.

Steve always greeted me with that winning smile and made everybody happier when he was around. He had such a positive light. I've known him for a while now and met him through camping. He was so proud to have his family's vintage camper and all of the memories that came along with it and loved making new memories his camping friends. Steve just loved camping, and sitting around a campfire won't be the same without him being there. I will miss him very, very, much...

“ I Have know Steve For many years, he was the greatest person you could ever meet, he and I traded each other so much about being the youngest person living at Atwood Acres..I was until Steve moved in .you imagine how that went..so much fun, he also helped me move to a new Place in Groton, there is Nothing he wouldn't do for anyone that needed it...it was also a Fun go around about the noise his truck made when he started it up at 4:45 AM ..I heard it Everytime he Left to go to work..so I knew Everytime by the Noise..He would just give that beautiful smile of his when he saw me like it was a Private Joke Between us...Steve, I always I loved your personality, you were such a caring, fun person to be around...I'm going to miss you so very much...life won't be the same without you in it...R.I P my dear Friend..

“ Stevie, you always shone a light through the deepest darkness to help others find their way. A laugh, a smile, a joke, or some words of kindness. You would always go out of your way to help someone in need. I loved your smile, your quick wit, your pure and beautiful heart... You were not just a brother-in-law, but a brother to me and my best friend. I will miss you terribly, but I know that I will see you again one day and I'll give you a great big hug. Till then, rest comfortably in the arms of God and I know that you will be watching over us until we see each other again. Love you, my dear brother, my friend! You are God's newest, sweetest, most beautiful angel. ❤️

“ *Steve and I worked together many years ago at Bates Corrugated Box and whenever we ran across each other around town, or at Hannafords, we would chat about local events, the "good old days", or swap a joke or two. It was always good to talk with Steve because I always left feeling a little better afterwards. Rest easy Steve.*

It won't be the same without seeing him drive by the house in his beautiful truck (still remember how proud he was to get it, Dave), always a smile and wave, or at Hannaford's, where he always stopped to talk to my grandson, who loved seeing him. I've known Steve for many years, he's always been a kind man who was always willing to help where needed. He will be missed b6 all who knew him. My deepest condolences to the Sanderson family.
