“ *To Steve and his family,*

*I was so upset to learn of Steven's passing. I met Steven in 7th grade. He was a funny guy who helped make those difficult years a little more bearable. Always quick with a smile or a joke. The first to offer encouragement to me when I needed it. We lost touch after high school. One day I thought about him and looked him up and found this page. Steve made a positive impact on my life 40 years ago, I can only imagine the depth of loss his family feels. Steve, until we meet again may god hold you in the palm of his hands.*

*Rest in peace my friend.*

“ *Stephen, Its almost impossible to say good by. You were always trying to make light of everything in your life, You never let anyone get you down . YOU CARED !. The discussions we had about family and friends. We spent a lot of time together during your childhood. As we grew up ,moved and followed our different paths we still managed to keep in touch. I will never forget one day you asked me if I was disappointed in you. My answer was that will never happen. I am proud of you. In kind you told me you respected me also. That was our bond." Respect". I will miss you.*

“ Stevie I am going to miss you buddy! It was a pleasure to have you on my team at O'reilly Auto Parts! You were a great man with a wonderful heart and I will forever be grateful to have known you! You were loved by all on the team and it won't be the same not seeing your face at the morning meetings. You always made me laugh first thing in the morning and let me tell you that's not an easy thing to do. That is a testament to the personality you had! Love ya my friend!
