“ When David brought Susan into our family we had no idea what joy and love she would share with all of us. Along with David, Susan gave us three wonderful and talented grandchildren with whom we had many enjoyable times. Susan, and all of the laughter and love she has brought to our lives will be greatly missed. Our donation to the American Cancer Society will hopefully help eradicate this terrible disease that took Susan from us. Nana, Grampop, and Donna.

“ *Susan was our Hillside Dr neighbor for 23 years. She was often the person my husband and I would talk with the most at neighborhood parties. She could do a deep dive into school issues with me or technology issues with my husband. She was a devoted dog owner and animal lover. She would greet my dog so warmly and attentively every time we met up on dog walks. She cared and it was noticeable. Susan had such overall positivity. She battled her disease with strength and humility. It was hard to see such a young, vibrant person lose so many personal freedoms we take for granted. She accepted her new limitations without complaints. Her example inspired me in my own life. I miss not seeing her on Hillside Dr. She was a treasured neighbor.*

*Love to Dave, Jake, Caroline and Henry*
