“ I will miss Sue. Even though we spent the last 40 years living on opposite sides of the continent she was always a great friend and cousin. Whenever I got back to Shirley she and her Mom always made me feel welcome. Sue kept me informed of family happenings and always sent pictures and letters. She was a great listener and confidant, always there with a kind voice and a great smile - even if it was over the phone. Godspeed, Sue, may you rest in peace.

“ Sue and I went to school together and graduated together in 1973 After I was married I had a medical procedure in Ayer Hospital and woke up to Sue's friendly face. Many years later, my mom was in Ayer hospital and again Sue was there to comfort and care for her and me. She was a great friend and a great nurse. Rest in Peace my friend!

“ I first met Susan in the late 1960's when my family first me to Shirley. We were next door neighbors. Susan was my sister's babysitter in those early years. When my Reserve unit was activated during Desert Storm, her letters of support helped to make my time there more bearable. She truly was a very caring lady. She will be missed. Rest in peace Susan.

“ Susan and her mom where the best cooks in town. I met them back in 1990 while organizing the build for the Mystical Maze at the pool. The two of them helped provide food to the volunteers during the build. After that any event that I put together with food these 2 ladies would donate too. When I got involved with the Shirley Friendship Fund they began volunteering with me again. I have lost track of how much food they have prepared over the years. Most recently Sue would donate food for the SFF baskets at Christmas time. She had already purchased the mac & cheese for this year before passing. I will miss Sue.
