“ We met 47 years ago in Panama when our husbands were in the service. We quickly became life long friends and she was my son Ryan’s god mother! We had many great times together with our families! She had 3 sons and I did too so we had alot in common! Evan lived in same apartment in Fort Devins, Ma of course at different times! We got to watch our kids grow up together as we both settled in Townsend Ma. I ended up in Florida with my family but distance never changed our friendship. We will miss her terribly. We send prayers to her family and husband and know you are all in our hearts and thoughts! Love you Sue and we will see you on the other side one day! ❤️

Sue and I first met in 1971 in Berlin Germany and quickly became friends. She had 1 son at the time and I had 2. When her other 2 sons came along I was privileged to know them as well and love all three as my own sons. Although our home is in Pennsylvania we often visited each other, usually twice a year. Sue was like a Sister to me and we stayed close until illness prevented us from traveling. Nevertheless, Sue’s sons are my sons. My thoughts and prayers are with your Family and Sue I know we will meet again one day.💕

Sue and I met in Berlin, Germany in 1969 thru 1971. We were able to see each other years later when two of my teenage daughters and I stayed with her family in Townsend. She then came to visit us in Southern California and we had an amazing time! I am so sorry to hear if her passing - Sue will always be in my heart with such fond memories!

*Sue helped my loved ones when they lived in my home and later when they were at Apple Valley nursing center because she visited there as a home health assistant. She also came to my home later on and helped me when I had hip replacement surgery. She was so skilled and caring in her work that she remained devoted to for so many years. As a social worker myself, she and I shared some deep conversations about caring for those in need. I am so sorry to hear of her illness and passing.*
