“ Linda, Cheryl, Cynthia & families.
You were blessed to have great parents. They are together again . 48 yrs. ago your Dad offered to carry my wedding gown, back to my house to the after Party, need I tell you how much he loved a good time, As I walked out of my room, he was Waltzing down the long hallway, carrying my gown, like he was carrying me!! Your Mom was laughing so hard... those are the memories that make us smile when I think of them. Mary & Terry, a great couple, with a beautiful family. Nurture yours memories at this difficult time. ”

“ Having known Uncle Terry for 67 years the memories are extensive and most are happy. His loss of Mary is the saddest. I'm sure his loss of Alice, Nana and Poppy were difficult as well. My fondest memories are of 'himself' standing on the deck 'up the lake'. One summer when spending time in Forge Village at Nana and Poppy's, when I was 'a wee lass' of about 6 or 7, I wore him down with pleas to take me to a drive-in movie. He obliged. During the Disney flick I think I remember him falling asleep. Probably dreaming of better things a young man in his twenties could have been doing on a weekend night! Terry, I'll forever carry you in my heart. Love and warm hugs to the Crickett Family.
