“ Theresa was my immediate supervisor when I worked at EDS. She was always kind and patient with me, taking the time to explain how to do things correctly. Theresa was also generous with her praise when a job was well done. Going to Theresa's office was something to look forward to. She always had tons of candy to share with her fellow workers. And she was so proud of her "Family Portrait Wall"... where all her loved ones were smiling at her throughout her workday. And if you asked about any of those relatives, Theresa always had something amazing to tell you about each of them. I feel very fortunate to have known Theresa. She was a very special lady. I am sorry for her family's loss and will keep Theresa and them in my prayers. Sharon Driscoll (former co-worker)
