“ I am so sad to hear of Tommy's passing and my heartfelt condolences to his Mom and sisters. I can hear his sisters laughing and talking outside my window playing on the tire swing. Tommy and my son John would share a chair and dry Captain Crunch in front of the TV on rainy days. Throughout the summer all the neighborhood children played all day until dusk on the lawn. I know they enjoyed those summers and that is a comfort. I am thinking of all of you during this difficult time.

So sorry to hear about Tom's passing. He was such a joy to have around and had such a great sense of humor. I don't think that Tom had a mean bone in his body and was kind to everyone. I will always remember the good ole days hanging out with Tom, the Julius', the Newtons and the rest of the West Townsend crowd. RIP Tom and keep them laughing in Heaven.

Hard to believe it's already been 7 months since Tom's passing. He was a great guy and a good friend. I was lucky enough to have had his company for a week just a few months before his passing. That time seems so much more special now. I think about him frequently and my heart goes out to Estelle.
