“ *Dear Kim, Deb, Mrs B and Family,*

I'm so sorry for all you have gone through. I can not say I understand the disease that took your Dad's life or the pain you experienced but I do know the pain of losing someone that was your protector, hero and security blanket. People keep telling me when you love deeply you grieve deeply so for every tear I pray you think of a happy memory. Your life is forever changed however, it will still be happy again.

Thinking of you all and hope you see the signs your Dad will send. I've gotten many and boy do they help. Hope our dads get to meet up there!

Much Love,

Nikki (Panico) Fazo
