

Timothy A. Nolan

June 9, 1957 - November 16, 2020

AYER: Timothy Alan Nolan, 63, of Ayer, Massachusetts passed away on Monday, November 16, 2020 after a brief illness.

He is survived by his sisters; Cathleen Anne McMullen and her husband Tim, of Londonderry, NH and Christine Rose Nolan of Belchertown, MA; his brother William John Nolan of Portsmouth, RI; his adoring niece Sarah Nolan and nephews Peter, Michael and Matthew Nolan, and Sean and Ryan McMullen. He also leaves his loving long-time girlfriend, Flossie Porter of Ayer, MA.

Tim was born in Munich, Germany, June 9, 1957, son of the late US Army Sergeant Major Donald Eugene Nolan and Margaret Anne (Almoian) Nolan. He was a 1975 graduate of Ayer High School, where his friendly smile, sense of humor and engaging personality made him one of the most popular students with his peers and teachers alike.

After high school he worked briefly at Murray Printing in Westford, MA followed by many years in sales at Metropolitan Life Insurance. After retiring from METLIFE, he earned his designation as an Enrolled Agent and worked for Liberty Tax for a number of years completing tax returns for clients.

Known by "Doc" to most, Tim was an avid New England Sports fan, enjoyed cooking and baking for others, and most of all, he cherished his time spent socializing with family and friends. He was also a very active supporter of Ayer Youth Sports Programs and Park Department.

Tim's family will receive family and friends at calling hours from 4-7 PM Friday,

“ Doc was a great friend to me, my mom and my son, he was always cooking and letting all the kids hang out in his camper to watch movies, even if he wasn't there. He always checked on my mom to see how she was doing. He was with me when I saw Caroline Rhea and asked her if she would take a picture with me. He was one of the kindest persons I have ever known. RIP my friend.

“ Our condolences go out to the entire family. As life long neighbors the many memories from childhood thru teen to adulthood are kept dear in heart. Timmy was so kind always helping others in and around the neighborhood, especially the elderly widowed woman with yard work and any other need he felt he could fulfill to make life better for others. Our thoughts and prayers are with Kathy Billy and Chrissy ..time has no distance and love has no boundaries. Thinking of you DAILY during such loss. The Schick Family

“ Those of us who were in the AHS Class of '75 will forever remember our friend Timmy (nickname “Juicy” to us back in the day before he was known as “Doc”) as a truly kind, friendly and always fun, life-of-the-party guy. He was universally loved and was always a blast to be around. I am truly sad he has passed away but feel forever blessed to have known him as a friend. God bless you, Timmy. You will be missed. “ Tim did SO MUCH for the Ayer Parks Department and youth sports in the community. Like all true heroes, he did this behind the scenes, not seeking credit for his extraordinary efforts. The next time you are going through Pirone and you see a backstop or dugout or batting cage (among many other things), think of Tim and know his fundraising helped to make those improvements happen with zero taxpayer dollars. The last thing he worked on was replacing the Field 6 backstop, a monster job that was estimated to cost \$25K, and though it took a few years, he got that done just last month. That completed the replacement of every field's fencing, and will be a long lasting legacy to him. Thank you Tim for all you did, you will be greatly missed!

“ Hey Doc...my Wednesdays will never be the same. I am sitting here by myself waiting for you to come around the corner. Over the years, I've enjoyed the conversations that we had. We touched on everything from financial investing strategies to dating advice. I learned that both our dads served in Vietnam. And the laughs, the laughs! They are too many to remember. I know that sometimes I would leave with pain in my face and ribs from laughing to hard. Like the time we tried to come up with creative off the wall pick up lines and the "nick name" that you assigned me. Oh God I am shaking my head and smiling now. You were a character!

Seriously, what I admire the most about you was your compassion for your family (including Rocky) and friends.

You will be greatly missed.
God speed my friend.

And Doc "who luvs ya baby?"

“ *" I've been doing a lot of thinking
About growing older and moving on
Nobody wants to be told that they're getting on
For a long, long stay
But just how long and who knows
And how and where my spirit will go
Will it soar like Jazz on a saxophone
Or evaporate on a breeze
Won't you tell me please
That life is eternal
And love is immortal
And death is only a horizon
Life is eternal
As we move into the light
And a horizon is nothing
Save the limit of our sight" ~ Carly Simon*

Flossie, Tim's friends and family, I am so heartbroken for each of you. Please accept my sympathy. May love and light comfort you.
