“ *Laura, Joe, Lori , Lisa & Tim;*  
*I was shocked and deeply saddened today when I learned of Tina's passing. I will always remember her smile and laughter whenever I'm feeling sad. She was my best friend all through childhood, as we were known then as 1/2 and 1/2 (because together we made a whole), and where one was, you would find the other. She was such a gentle and caring soul. I will miss her deeply. I will cherish my memories of Tina, and all the fun we had together as children, playing at my house and on Dartmouth street. All my love to the family.*
