“ We are very sorry for your loss. Traci-Lyn was a very special young lady to us, we miss the days of spending time with her back before we were even married as we worked with her at Montrath/Children’s Extended Care (many years ago). It was a gift from God to know her, and to later on become friends with her brother, Rob (still blows my mind a bit at how God works). We are praying for you all.
