“ *Wayne, you have been such a dear friend to our family. Your passing has left a great hole in our hearts. I recall when I took Bonnie to see u at the hospital, & how your face LIT up as soon as you saw her. It melted my heart.
Bonnie, I'm so deeply saddened by your loss. I can only begin to imagine how you must feel. You made him so happy, & it was clear how much he truly loved you. I hope you can find some comfort in that as well as knowing that he's no longer suffering. Please remember, we are always here for you regardless of what the reason. God bless, Susan*
