I wouldn't want to seem ill mannered so let me start by thanking you for your feigned sympathy. Your crass comment to follow was extremely unnecessary on such a post. CJ himself had spoke with Brian and that is when that portion was added. I assumed that he himself had asked to be listed as such. I have a great deal of respect for CJ and know that he loved my dad and my dad loved him. Out of respect for CJ and the relationship that he had with my father I chose to leave the addition of his name alone.

“ To the Wilson Family, I just found out today about Willy, and I am very sad. He was a great man all his life. He always helped me out at Moore's and made me laugh all the time. We went to high school together and it was pretty tough back in the day but we had each other's back. Willy was a good friend that I could always count on! My prayers are for his family, if you need anything please let me know. Rodney Ford
