“ Billy you had a fascinating thing about Cowboy's and Indians. You would hang around with Jimmy many times. Today you will be hanging around Jimmy once again. Bowling, golfing and just being you. You've been with Kathleen for over 33 years. She will someday be with you again. We miss you. Your last word to me was: John don't 😞. The address to the funeral home is 316 Cleghorn St., your birthday. I will never forget the times we had together. R.I.P. brother.

When we were little, you called me "Way Way." I never really knew why, but you wanted to be with me. R.I.P. Billy. One day we'll be together. I ❤️ you and miss you.

“ My big brother, Billy helped me when I needed help. He let me take his van on weekends as long as I picked him up from work and put \$5 in his gas tank. Oh how times have changed. \$5 won't get you far now a days.  
Billy always was looking for LOVE ❤️ and he found that when he met Kathy. LOVE ❤️ AND MISS YOU big brother.

“ Billy, my oldest brother...I am so happy that you found love with Kathleen and someday will be with her again. No pain, no ailments, just the two of you. You were so kind, gentle and sensitive. You won't be forgotten ❤️

“ So memories of my brother, Billy... where to begin. His affectionate manner... his support of my frozen ice stand; his generosity; and that blue van!!! He will be remembered with much love. Until we meet again dear brother. Love your baby sister, Mary. xoxo
