“ My condolences to the whole family. What a great man Mr. Jefferys was I met Mr. Jefferys back in 2004 and since then he's been like a father figure to me very helpful and had a solution to everything that I came across. I learned so much from Mr. Jefferys working with him in Stoneham over the years. Whether we was having breakfast lunch or dinner Mr. Jefferys shared his knowledge and wisdom and had some great laughs together. I am so hurt to hear of the passing of Mr. Jefferys. I know Mr. Jefferys touched a lot of peoples lives and the young yourh that he work with where they looked up to Mr. Jefferys. I'm going to miss you so much Mr. Jefferys. “ Mr. Jeffreys, I was saddened to hear of your passing. I've been reflecting on the memories of working with you at the Alliance House in Stoneham. Your stories shared wisdom to both the young men and the staff. Thank you for your service in the army and thank you for your service with the young men of Alliance House. "It's easier to ask for forgiveness then it is for permission" I'll always remember your quote!

“ I had the great pleasure of working with Mr. Jeffreys for many years. He was an inspiration for all of those around him. He offered wisdom to the msny young men he wad in charge of. He was ways patient and supportive even with the most trying teens. He was funny and very passionate about his morals and beliefs and had an easy way of sharing those beliefs others. All whobwere liucky enough to be in his presence benefitted from it, especially when he shared his lovebof cooking by making breakfadt or fried chicken!!! You will be greatly missed on this earth Mr. J., rest in peace

“ Mr. Jeffreys you touched so many lives over the years at the Alliance House. You will be remembered by many people. You taught so many young teenagers how to cook for themselves and taught them the attributes of being a type of man who others would respect. You will be greatly missed by many.

“ Michael - I was very sorry to hear of Jeffreys' passing. I met you a few times when your father brought you through Alliance House in Stoneham. I remember you as a poised young man of 12 or so. Your father was very important to us at Alliance House, and to me. We, mostly twenty-something kids trying to help younger kids who were in big trouble, had in Jeffreys an invaluable, wise, legit leader. He and I were the two floor supervisors for a couple of years. His laid-back Southern approach, his years as a warrior, and his friendly laugh were really powerful with the kids he worked with. He made them feel good.
I remember him well and offer condolences.
