“ I work at the Leominster Public Library, where Mr. Morgan was a frequent visitor. I remember Mrs. Morgan coming in occasionally with him; and after her passing, I was afraid he wouldn't come in much. But sure enough, after a bit, there he was in his white coat, perusing the collection and sharing conversation with me. He was a dear dear man and you are all so lucky to have had him in your lives. “ I have the best memories of Mr. Morgan, Mrs. Morgan and hanging out at the house with the "kids"... Even after years past and we were grown whenever he saw me he said "there's the pest"... My sincerest condolences to all of you, he was a good man.
