“ *Remember forever: Stories of summers at the Lake Cottage when the boys were young, full of pranks and jokes. This day, their Mother cooked their favorite meal 'Pasta & Meatballs'. They wanted to play a joke on her and slipped a 'fake rubber worm' on top of the Pasta dinner. BUT, the joke backfired, because their Mom saw the worm, grabbed the bowl, opened the door and threw the dinner OUT! Bill always had a great sense of humor.*
