“ I'm so sorry for the family's loss. I knew him thru my father in law who retired from Avs a few years ago and he talked about how smart Gene was and what a tough job he had. May he rest in peace.

“ May fond memories of your husband, father bring you comfort during this hard time in your life. My heart and prayers go out to you and your family.

I dealt with Yevgeniy in my office, a gentleman, soft spoken man. The happiness his family brought him. He showed me pictures of his new grandchild. Oh, so proud, a happy man. Rest In Peace Gene.

“ Sorry to hear of your family's lost. The Bible makes a comforting promise: “God is near to those that are broken at heart; and those who are crushed in spirit he saves.” (Psalm 34:18)
